Details: In an attempt to spread the word about his music, Sean Fournier decided to do something absolutely crazy and give away his latest release, "Oh My". This awesome, six-track album features brand new versions of songs from his previous albums, including, 'Put the World On Stop' (2005) and 'Paper Tiger' (2006). 'Oh My' was created with the sole purpose to be copied, given away, shared, and, if all goes according to Seans not-so-evil plan, spread like the plague. 'Oh My' was written, recorded and produced by Sean in his hometown of Milford, Connecticut. Not straying far from the folk pop sound of his previous work, this album takes a soft, yet edgy, approach, using mostly piano, acoustic guitar, and strings. Get this groundbreaking (and did we mention FREE?) album now at sean-fournier.com. Listeners can either download the entire album or have an actual CD mailed directly to them. Sean would like to encourage everyone to download desktop wallpapers, print out posters to hang up, and even watch the useful demonstration on How to Give the Album to a Friend.
