A pop/rock tribute to the most fantastic TV show and host that ever existed in the entire universe. 12 MP3 Songs POP: Quirky, ROCK: Progressive Rock Details: SpringerZinger, the SuperSonic Springer SongSlinger, is a longtime songwriter and musician who is also a dedicated fan of The Jerry Springer Show. As an expression of that dedication, he long ago embarked on The Zinger Mission, a musical mission to "Boldly go where no fan has gone before". SpringerZinger committed himself to produce a full length music CD exclusively about The Jerry Springer Show to "zing in" and focus on the most fantastic TV program and host that ever existed anywhere in the entire universe. What more noble and worthy endeavor could there possibly be than that? The final result of The Zinger Mission is SpringerZinger's self-released "Songs About The Legendary Jerry Springer" 12 song CD. SpringerZinger wrote and produced all songs on the CD, as well as performed all instrumentation and vocals on the project. It is SpringerZinger's sincere hope that the multitude of Jerry Springer Show fans on Earth, as well as on all alien planets throughout the universe, enjoy this CD as much as he enjoyed creating it..... Note: SpringerZinger is in no way connected or affiliated with The Jerry Springer Show or it's Legendary Host, Jerry Springer The Great.
