

Mp3 Swanky Hotel - Glass Of Something

[DOWNLOAD HERE](#)

Soaring female vocals over a tapestry of eclectic styles from folk to jazz and bluesy rock; Swanky Hotel brings smart lyrics and infectious pop melodies to each track on their debut album. 11 MP3 Songs FOLK: Folk Pop, FOLK: Power-folk Details: Swanky Hotel The new musical project from the creative trio of Cole Wheeler (guitar), Francine Wheeler (lead vocals and keyboards) and Darryl Gregory (bass) that puts together thought provoking lyrical content with edgy, folk-tinged rock. The group's members are all seasoned veterans of the NYC music scene. All three have honed their songwriting skills as solo performers and their instrumental and vocal chops with other diverse musical projects from avante garde world music to the Broadway musical. With Justin Hines on set and percussion and Amie Bermowitz harmonizing on background vocals, Swanky Hotel has put together a sound that hooks the audience from the downbeat.
