Bay Area Hip-Hop 15 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: West Coast Rap Details: I grew up in the East Bay, the music scene was huge, no doubt...I have been making beats and recording music since I was 10 years old on 24 key Casio keyboards with dictators for a mixers. As I got more serious...no more TV, no more video games and no more being a little kid. Everything on my CD is 100 Swicious. I did all of the writing, performing and mixing. I am an avid West Coast lover! I am all about the Bay Area (not the biggest New York fan, haha).
