

Mp3 Teenage Frames - Kingsize Sessions

Third and best sounding release. Up-tempo, hard edged rock n' roll infused with elements of punk, power-pop, and glam. 5 MP3 Songs ROCK: Punk, ROCK: Glam Details: "**** 1/2 The latest EP from this modish power-pop quartet features one of the giants of the genre guesting on bass, Ted Ansani of Material Issue. It also boasts four infectious originals--my faves are "Happy Birthday" and "The Lemon Drop," an inspired rewrite of the influential ska hit "Lollipop"--plus a hell-bent-for-leather cover of the MC5's "High School." It all speeds by in a frantic 12-minute blur, but it's as hard to resist as a sugar buzz on Halloween." Jim Derogatis - Chicago Sun-Times (Chicago, IL) "...bratty, punkish vocals and rough edged pop/new wave tunes" Steve Gardner - The Big Takeover "Estos norteamericanos practicaban hasta ahora una especie de British Beat desaliado, pero parecen estar en plena refundacin/mutacin! Nuevas influencias ms marcadas "pre-glam rock" en estreo total, el bajo agresivo y ronco a la izquierda, el rgano discreto en el canal derecho y una versin de MC5 (infernales rockers de Detroit en los aos 70) para afirmar las cosas, melodas slidas y nerviosas, voz caminante y coros insistentes, la sombra de los Stooges o de los New York Dolls (y seguro, los Jam, dije refundacin, no revolucion!) no est muy lejos!"
