Compelling and intense lyrics with an original sound, each song is beautifully arranged with strong, emotional vocals, that are reflected throughout each heartfelt written song. 10 MP3 Songs POP: Power Pop, ROCK: Folk Rock Details: The Faithful, a talented duo, introduces their very first CD titled, Bearing Good Fruit. This CD is an amazing blend of Power Pop/Rock with each song telling it's own story, drawing in the listener. Addressing life's challenges, issues, losses, and regrets; then lifting up the listener with upbeat songs of hope, joy, love, peace, and happiness, perfectly complementing the overall theme of each song. This is not your meaningless and trivial "bubblegum pop" but timeless and relevant music that everyone, in some way, can relate. Singer and gifted songwriter, Michelle "Magica" Canbuldu, has a wonderfully original and expressive voice with rich undertones. Mark DiGennaro, Co-Songwriter, Percussionist, Drummer, and all around musician, blends creative musical abilities seamlessly with his undeniably imaginative artistic capability. Renowned Palm Beach, Florida Producer, Cooper Getschal, of The Write Note Foundation, a non-profit organization that helps young teens stay out of trouble by bringing them into a studio environment and turning their creative energies into song, not only produced this CD but added his own backing vocals creating a resonant blend to The Faithful's melodies. Visually stunning cover artwork depicts an era of peace, harmony, and tranquility. A CD booklet insert, with lyrics, complement the overall richness of this CD.
