

Mp3 The Tex Mex Experience - Tmx The Tex Mex Experience

[DOWNLOAD HERE](#)

Country rock with hints of Latin and Tex-Mex 12 MP3 Songs COUNTRY: Country Rock, ROCK: Latin Rock Details: Were just movin and groovin! Things have been bustin lately, ya know? Weve got a full plate of tacos, man! Does that sound familiar? If it does, youre probably a Doug-head. If it doesnt, prepare to party in pure Texas style. Shawn Sahm is here with the Tex Mex Experience and life will never be the same. Sahm has gathered four musicians whose experience and backgrounds complement his own for a fiesta not soon forgotten. From the moment he sat on the knee of his father Doug Sahm on the cover of Rolling Stone in 1968, there was never a question as to what Shawns path in life would be: its always been on the road. And after his father passed away in 1999, Shawn wasnt about to slow down. Having spent the better part of the last six years overseeing the estate and various projects, he returned to his first musical love: the amalgam of rock roll and across-the-border rhythms that define the Tex-Mex sound. The idea was to take the influences, the sound, the real stuff, whats in your heart and in your soul, Shawn enthuses. That music is a part of me. What makes the band unique is that we are doing music for the love of it. Its not the in thing or the popular thing, its something Ill be doing one way or another for the rest of my life. Even when I was young playing in rock bands, I was always playing with Dad and writing songs. Shawn Sahm also learned how to put together the right musicians for the right sound and when it came time to lay down the bottom of the band, he drafted George Rains as drummer. Rains first recorded with the elder Sahm on *Honky Blues* in 1967 and went on to play with an array of musicians including Boz Scaggs, Chuck Berry, Screamin' Jay Hawkins, Bo Diddley, Van Morrison, Big Mama Thorton, Junior Wells, and Lowell Fulson. George, declares Shawn without hesitation is the Jedi groovemaster of drums. No surprise that Neal Walker would pick up the bass slot in the Tex Mex Experience. Walker played with

Shawn in his teenage metal band Prezence and impressed all enough to join Doug on a variety of albums and tours. Dad loved his harmony. Neal has this killer high harmony Dad said was like a young Atwood Allen. High praise indeed! Accordionist and vocalist Mike Guerra played in the Texamaniacs. And is currently joining Shawn in the reuniting of The Texas Tornados where Michael will be playing Bajo. Guerra, an import from Los Angeles also recently recorded with Los Lonely Boys and brings his bajo and keyboards to the Tex Mex Experience. Hes got the makings of the next Flaco, Shawn praises his bandmate. Hes our MVP. And speaking of Flaco, Nunie Rubio regularly sings with the noted accordionist. Rubios distinctive vocals are one of the Tex Mex Experiences hallmarks. I really like to use the voices in a more traditional way, with three- and four-part harmonies, explains Shawn. It was interesting to find someone in my age group that understood this kind of music. Ya got to understand the music and Nunie understands. The mix music of the Tex Mex Experience is fresh and refreshing. I wear my influences on my sleeve and make no bones about it, Shawn acknowledges the Texas Tornados as influence, but that doesnt do justice to the musicians in this band. For the music, we used Tex-Mex rock roll, country, a little Cajun vibe. Polkas. I called it the Tex-Mex Experience was because the food and the lifestyle is very eclectic. Its not one thing, its a little of this and a little of that. Hippies and rednecks and Mexican food, all mixed together! Having a good time on the dancefloor in a musical groove. So whats in the near future for the Tex Mex Experience? Weve been showcasing, and out on tour with Los Lonely Boys, Shawn Sahm recounts the bands initial forays. I want to make a memorable Tex-Mex record, one as good for a few beers and as to dance to. And make it under the moonlight! People who are interested in The Sir Douglas Quintet Texas Tornados Doug Sahm should consider this download.
