Details: Born and raised in the town of Charlottesville, Va. Will Thomas has been a friendly face in the local music scene for years. He began to write songs with Brian Craddock, guitar player for Chris Daughtry, and Daughtry himself. It was apparent at this point that the music they were creating was not to be denied. Once the music was in motion, the next step was finding the right team to share in Will's dream. After contemplating long and hard about a move to Nashville, Will decided to look no further than his hometown. The search was continued for a lead guitar player with passion and drive to provide an uplifting sound to the music. After hearing that local musician Wally Worsley was heading out to Los Angeles to pursue music, Will pitched his plan to him before he departed. Wally was sold, and knew this could take his playing to the next level. The lineup is complete, and the vision is simple. Provide listeners with songs that they can relate to, and feel a part of. The first steps have been taken, and the band is on the move. Will has just finished up his debut EP titled "This is your life" produced by Brian Craddock and Shep Stacy, mixed by Skidd Mills (Third Day, Saliva, BB King). Spreading music around the world, one person at a time
