March 9, 2010 A Limited Time Offer From Your Name Here Re: Podcasting Made Easy Greetings Friend, What would you do to get your hands on secret information smart marketers are riding all the way to the bank? Internet entrepreneurs who are on the look out for the next great opportunity have found their target. A new tech trend thats guaranteed to make smart marketers a ton of cash has been spotted. Its called Podcasting and its similar to radio station broadcasts. (Except for anyone can do it with little more than a microphone). Podcasting is bursting onto the scene - just look at the stats! In September 2004, Google

had less than 25 hits for Podcasting. Just one year later (September 2005) Google had produced more than 61 million hits! The markets booming! Expert marketers are jumping on this opportunity. Now you can: Create best-selling information products without writing one word Stake your claim in residual profits with monthly podcasts that ensure members put cash in your pocket 12 times a year Conquer an untapped market before the masses hop on board. And unlike past technology advances, podcasting is very simple for even the beginning computer user. In fact, theres... No hard-to-understand techie hardware or software to buy No special license or training to fight for (like regular radio broadcasts require). Little to no money needed to get started A very small learning curve (youll be up and running in no time). Podcasting is like making a radio broadcast to the world. Except for you only have to record your voice once (at any time you want) and let listeners find your podcast on the web to listen to (At any time they want)! Leading Edge Marketers, Podcasting, And Residual Profits On The Web! Are people truly willing to pay for podcasts? Pioneering marketers know the answer. (And even how MUCH people are willing to pay!)
