An outcast by her kind, Trinity Ford has learned to live on her own...not an easy thing to do when you're a vampire. Trinity was once a fragile girl. Being taken by a powerful vampire prince changed her.

Discovering him in the arms of another woman changed destiny. Alone, she's learned fast how to be tough, how to survive, and how to protect the people in her city from the evil that lurks in the dark. She was managing just fine, until Basil walked back into her life. Basil Hawthorn has been the reigning prince of vampires since banishing his father to the Realm of Dark Mystics decades earlier. When a prophetic dream makes him realize Trinity's life is at risk, he decides the only way to save her is to push her away. Doing so is not easy. Trinity is the only woman he has ever loved, ever will love, and he can't seem to let her go. When rumors arise of a plan to raise the King and blot out the sun, both Trinity and Basil know they must do everything to stop it. Even if it means working together. Despite the betrayal and the threat, they find themselves drawn to each other. Love has no boundaries, especially in the face of danger. But will they be able to stop the ritual before it's too late? Or will the darkness capture them both? Author:
