Alix, Courtney, and Fern aren't "bad" girls. They are respectable students who have hit on a great way to pull in good money. They can buy designer gear, take vacations abroad, and aren't even out of place at a millionaire's party. As long as they follow their own rules and keep themselves safe, who cares how they earn the extra cash? No one's going to get hurt or are they? Author: Waite, Judy Publisher: Andersen
