They had met before. Battled before. And Captain Maya Stevenson had never again wanted to lay eyes on Major Dane York--the man who had once tried to destroy her military career. But she was ready for him now. This time, they were on her turf--on her mission. Dane knew this assignment was his last chance to save his career. And Maya wasn't going to make it easy. Even though he sensed she knew she needed his expertise. And even though there was something happening behind the flash of her eyes that spelled wanting, and tenderness, and danger.
