URBAN/R&B: Urban, HIP-HOP/RAP: Hip Hop People who are interested in Raphael Child should consider this download. Details: Anthony Bush professionally known as "Meself" was born in Indianapolis, IN. Born into a family of generations of talented musicians, singers, and song writers. He was born with the love and gift for music. Anthony was inspired by Charlie Wilson, DJ Roders, Babyface, Donnie Hathaway, and Stevie Wonder. He takes his place in the music industry as a musician, singer, song writer, and producer. In January of 1996 Anthony worked with a group by the name of "Dos Of Soul". Anthony was lead vocalist on the featured song called "Come Around" off the Nutty Professor sound track. He also had the opportunity to work on several projects with producers Cory Rooney, Prince Markey Dee, and Kelly Price. Anthony's biggest dream is to become a successful song writer and producer with many hits. He hopes that everyone will be able to enjoy his music as much as he does.
