

Mp3 Blind Divine - Devouring The Beautiful

[DOWNLOAD HERE](#)

Spooky, ambient, and hauntingly erotic, sultry female vocals and strange landscapes are the cure for chronic insomniacs, hypochondriacs, and patients of psychotherapy. Understated and overrated. 23 MP3 Songs

ELECTRONIC: Down Tempo, **ELECTRONIC:** Trip Hop

Details: If one could break down all the elements of Blind Divine's sound--the mix of moody beats and emotional female vocals the pensive, sentimentality of the song writing, the sublime hooks, the romance and urbanity--but Blind Divine is more than the sum of its parts. These prolific songwriters are fresh without being self-conscious, classic without being derivative. The music of Blind Divine has been licensed by the following clients: VH1 - Driven: Jessica Simpson VH1 - Driven: Paula Abdul VH1 - Best Week Ever MTV - Real World A&E - BIOGRAPHY: Christina Onassis A&E - First Ladies Discovery Channel - Extreme Engineering Feature Films using Blind Divine's music: "ORPHANS AND ANGELS" Blind Divine composed the original score for the award winning full-length feature film "Orphans and Angels". This chilling art-house suspense drama was filmed on location in New Zealand by writer/director Harold Brodie.
