A well-executed mix of fluent vocals and passionate Christian lyrics that are comforting and calming. 9 MP3 Songs EASY LISTENING: Mood Music, KIDS/FAMILY: Kid Friendly Details: "While serving as a choir director and soloist at a local church some years ago, I discovered a collection of hymns by Amy Tate Williams that were beautifully arranged. Their resonating messages of salvation, love, hope and grace seemed to speak to me personally and gave me so much strength during a time in my life when my faith was shaken." "In collaboration with Jeff Smith who created the lush, orchestral soundtrack, the hymn collection entitled "Songs of the Savior" was recorded in it's entirety. The talented people who helped complete the project have been a blessing to me and I thank God for each one of them. The music of HE INCLUDED ME is lyrical, passionate, and spiritually empowering for listeners of all ages. It continues to win hearts and has been distributed through friends in England and Denmark." " My formal music training began when I was in gradeschool. First piano, then cello, and finally voice lessons led me to my college days at the Cincinnati College-Conservatory of Music. It's been a wonderful journey to have had the opportunity to sing and perform so many styles of music in a variety of venues. But those accomplishments mean nothing to me without acknowledging that Jesus Christ is my Lord and Savior. To God be the glory! I hope you enjoy this album! **Catherine Gorman
