

## Mp3 Chris Haugen - Beg Borrow Steel

[DOWNLOAD HERE](#)

The perfect soundtrack for late-night party wind down and/or hottubbing - dreamy layers of weissenborn and acoustic guitars with a space-age twist. Tranquilo. 10 MP3 Songs in this album (32:56) ! Related styles: FOLK: Modern Folk, EASY LISTENING: Mood Music Details: On beg borrow steel guitarist/songwriter Chris Haugen shares with us a collection of acoustic tunes, many featuring Chris' fine and innovative lapsteel work. Chris collaborated with Mark Degliantoni (Soul Coughing) on the album, creating a compelling mix of down home porch jams and futuristic sound textures. Former lead guitarist and songwriter for the critically acclaimed touring band, Jambay, Chris logged nearly 1,500 engagements during the last ten years. Recently Chris has toured with B3 master Melvin Seals (Jerry Garcia Band), and has been working in the studio with Wally Ingram (David Lindley/Stockholm Syndrome) and Juan Nelson (Ben Harper).
