

Mp3 Dave Walker & The Ambulators - Mostly Sonny-a Tribute To Sonny Boy Williamson

[DOWNLOAD HERE](#)

Blues Rock that's not over the top. 13 MP3 Songs BLUES: English Style, ROCK: Classic Rock Details: The first ever tribute to legendary bluesman Sonny Boy Williamson! Featuring the voice of the mighty Dave Walker. Many consider Dave to be THE voice of Savoy Brown. Even the most casual fan of Savoy Brown will know Dave's voice from their most popular albums 'Street Corner Talkin' 'Hellbound Train' and 'Lions Share' This is Dave's first album in 14 years and is well worth the wait! Blues Rock that's not over the top! This aint no Aerosmith blues album, baby. This is the real deal. " a worthy salaam to a legend...if you're gone on rowdy, loose limbed blues for the purposes of running jumping and standing still, you ought to give Dave and his Ambulators a listen" Alan Clayson, Record Collector Magazine Recently featured on the nationally syndicated radio program Blues Deluxe! Dave is joined by a stellar cast of British bluesmen: Nigel Watson on guitar Roger Cotton on keyboards (Peter Green's Splinter Group) Don Craine on rhythm guitar Keith Grant on bass (Downliners Sect) Ray Majors on guitar (Yardbirds/Mott) Mick Avory on drums (The Kinks) and Savoy Brown co-founder John O'Leary on harmonica additional musicians: Chris Hunt and Alan Brooks (drums) Russ Garrett (background vocals) Recorded at Roundel Studio, Kent, UK (Feb-April 2004) Executive Producer-Russ Garrett Project co-ordinator-Don Craine Produced by Don Craine, Keith Grant, and Roger Cotton Mooreland Street Records, LLC would like to thank: Chuck Hutsler Tim Pratt Jason Roberts A Very Special Thank You to Arnie Goodman of Bluestorm Music for putting me in touch with Dave Walker in the first place. "Mostly Sonny" is also available as a digital download from Napster, Apple iTunes, MusicMatch and many other digital distributors. Download the entire album or just the tracks you like best. Cheers, Russ Garrett Executive Producer Mooreland Street Records
