

Mp3 David Chandler - Island Light

[DOWNLOAD HERE](#)

A sketchbook of visual music, these soundscapes beautifully blend textural elements of electronic music with acoustic instruments including piano, flute, fretless bass and percussion. 11 MP3 Songs NEW AGE: New Age, NEW AGE: Ambient Details: David Chandler's unique musical journey has evolved over two decades of exploration. He has successfully integrated a strong melodic sense with therapeutic and dynamic performance elements. As a sound healer, he has a therapeutic music degree from Lesley College and is a graduate of Don Campbell's Institute for Music, Health and Education. As a soundtrack artist, David has recorded numerous film and video soundtracks as Director of Media Resources at Rhode Island School of Design, the nation's top art and design institution. And as a performer, singer and songwriter, David and the members of his band have shared the concert stage with artists such as Bonnie Raitt, The Kinks, The Band, Little Feat, Maria Muldaur, Paul Butterfield and NRBQ.
