

Mp3 Dew-claw - Licked

[DOWNLOAD HERE](#)

Intimate Indie Rock - Sounding much like a quiet, yet sometimes loud, nervous breakdown. All the while remaining strangely pleasant. 12 MP3 Songs POP: Delicate, ROCK: Psychedelic Details: Dew-Claw is Stephen Hunking, former member of the cult pop/rock band Hypnolovewheel. This CD sounds a little like Hypno, yet different. Think Monkees meets Iron and Wine, throw in some noise, mix with garage rock and you're almost there. Buy the CD to take the next step.
