Unique blend of Edgy Alternative Pop-Rock music and melodic vocals. Their music drips with drama and a talent pushing the limits. Their lyrics tell the story in a new way about life (the 20-something dreamer who needs a believer), love (close your eyes and count to 10, crack a smile and open them, I am so into you) and death (I hope that you will wake up to say good-bye). It's the same old story told in a whole new way. The trenches gave them an undeniable resolve and certainly didn't put them out.
