

## Mp3 Ethemadassassin - Proverbs

[DOWNLOAD HERE](#)

authentic, raw, in-your-face, and undiluted reality rap from one of North Click's hottest underground street poets proving the TarHeel State can do more than just take shirts off... 13 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Hardcore Rap Details: you think we're gangstas...we think we just regular people...you figure it out... ethemadassassin was raised in the drug infested city of Henderson, NC. Influenced by hip hop at age 8, e's rhyme style represents the North Carolina street vibe with an obvious east coast feel based upon his experiences as a youth in New Jersey. At the age of 12 he began rhyming and grasping a fascination for hip hop music producing a hardcore, informative sound for the streets. his life is what influences his unique outlook on the world and it's insanities. Simply put, what most people consider gangsta and thugged out is e's regular way of life; nothing to brag about, just a lot to learn from... ...get ready for hip hop's next revered lyricist, the truth is finally here...
