This is the Indie Hip-Hop you've been hoping for. Soulful, vibe-drenched, insightful and heartfelt, Exile Lokey prove that beats and rhymes are great tools for making SONGS. 10 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Trip Hop Details: Exile Lokey. The names say it all. Exile, with his innovative flow and vibe-drenched, homespun soundscapes, is a musical misfit defying the boundaries of conventional hip-hop. Staking out uncharted territory of beat and rhyme, he claims it as his own. Lokey is the quiet type. He sits back, drinks it all in and chooses his moment carefully. But when it's time for him to rip the mic, his lyrical acrobatics will leave you nodding your head at his insight and shaking it in disbelief at his roll-the-tape-back rhyme pattern. Hailing from Providence, RI, Ex Lo are already making real noise in their own backyard. Whether it's pumping their latest joint on 90.3 WRIU or prowling the stage at the legendary Lupo's Heartbreak Hotel, Exile Lokey are causing people to stand up and take notice of a new sound that is bubbling up from the underground. Down to rock a show anytime, anywhere, Exile Lokey have shared bills with hip-hop's finest, tearing up stages alongside Aesop Rock, Atmosphere, Mr. Lif, Bootcamp Click, Pharoahe Monch and Dead Prez. Ex Lo's tag-team rhyme pyrotechnics leave the audience clamoring for more every time. Now, after many months locked away in their secret dungeon workshop, they emerge well-stocked with a brand new batch of hot tracks. Each song comes fortified with a soulful Exile instrumental as well as the duo's signature blend of lyrics. Personal without being self-indulgent, conscious without sacrificing coherence, Exile Lokey's "Lucid Traveler" EP is available now.
