Rap with tight Gospel lyrics and banging gangster rap beats 15 MP3 Songs GOSPEL: Contemporary Gospel, HIP HOP/RAP: Spiritual Rap Details: I make this music out of sure passion to share Christ with teens and young adults that like rap music. As a young Christian I found that I did not relate to a lot of the music that was played in church. I love praise and worship but every once and a while I still craved the beats and bass hits of rap music. Unfortunately, there wasn't much music out there that I could listen to that didn't talk about fighting, pimping, etc. After learning that truly the power of life and death is in the tongue I choose to write raps that will speak life and help people through the things that they may be experiencing. Here's a list of things that will help you get to know me. 1. I love God and have a personal relationship with Jesus. I pray and study the Word daily. 2. I accepted Christ at the age of 18 (I am in my late 20's now) 3. I am an active member of Word of Life Christian Church in Pontiac, and have been since 1996. This is the only church in which I have been a member. 4. I am a licensed and ordained Minister 5. I currently serve as the Minister of Music, (I oversee the Praise and Worship team) and have served since 1996 6. I served as the director of the youth ministry, teaching and providing recreation for teens on a weekly basis. 7. I believe it is important to hear the Word consistently so I attend midweek services, Sunday services, and prayer services. 8. I love people.
