

Mp3 Jim Soule - ...no Mono

[DOWNLOAD HERE](#)

Quirky Alt Pop with a Barenaked Ladies- They Might Be Giants feel.. 14 MP3 Songs POP: Quirky, ROCK: Modern Rock Details: Jim Soule presents ...no mono! ...no mono is the first release from Jim Soule since 1999's I'm the GIANT! This record is a digitally re-recorded and reproduced record comprised of the thirteen original tracks off of I'm the GIANT!, just the way there meant to be hear by you, the public, and three new tracks. It was mainly recorded in the months between August and October of 2003, although a few tracks date back to late 1999. The track listing is the same and the songs are somewhat the same. I'm the GIANT! is the demo and ...no mono is the master. This record is also being released to celebrate the five year anniversary of I'm the GIANT!, which was released in the summer of 1999. These things have been written so far about Jim Soule's ...no mono: Jim's unique sound and spirit around felt and heard on this record. Please, feel free to buy and enjoy, Jim Soule's ...no mono!
