Details: Kate Ashby has a loyal following of fans, friends and musicians, and it's no wonder why. Her gift of songwriting touches on emotions and experiences that resonate with each unique song, appealing to the spectrum of listeners with her endowed sense of understanding. Truthful, sassy and thoughtful, her lyrics are carried into the hearts of those who hear her by her diverse talents as a vocalist and musician. Kate Ashby creates her songs by simply telling the stories and playing the notes that have been a part of her since childhood. Her songs are her diary. In the past Kate Ashby has played with numerous duo projects and bands, but her decision to go solo in Spring '05 has proven to be the right move. With a wealth of experience and maturity that can be seen in her most recent projects, performances and songs, KA is coming into her own. Collaborating with some of Nashville's finest has brought a new sound to KA's "diary"...and you will want to hear what this hometown girl from Virginia has to say. "
