Come close so "Wild Lullabyes" takes you through a magical door to a labyrinth inside smelling of hyacinth. Its mythic scope tenderly touches orphaned bird, tired mama, moodling student, mermaid, dryad, saffron goddess, and all who need to take back their lives in sacred ways. By the final song "Beauty Chant" you will remember who you are, as your dreams greet you real and wild. Savor!

Award-winning singer, composer, internationally published poet, and holistic nurse, Kyane is known as Sheboygans Singing Nurse and has appeared on Public Radio and at a Rumi Festival with Coleman Barks. Diverse artist, Kyane has sung in Gondola Boats in Venice, at Theaters, Cafes, Universities, Museums, Hospitals, Schools and dolphin pods for over two decades. A consultant with CreatEpiphanies and coach at LakeMusic Studios, she daily falls into the place where everything is music. Kyane makes raspberry pancakes with two children on the shores of a Great Lake. Critics call her music "enchanted", "unusually sensuous" "outrageous splendiferous". "Lost Song of the Dolphin" is getting rave reviews and conjures the sensuous traditions of Jane Siberry/Issa and Loreena McKennitt beneath a moon drenched sky. If you've ever wanted to van gogh your soul and burst into stars, this is it!
