A compilation of hot tracks to satisfy your summertime cravings. 15 MP3 Songs URBAN/R&B: R&B Rap mix, HIP-HOP/RAP: Hip Hop Details: No doubt, life has been good for the Oklahoma-bred producer and songwriter, L. Boogie. His debut album, "Pillow Talk," featured arguably the ladies Midwests song of the year, Miss Exclusive featuring J-Dida and Beige. His sophomore album "Top Notch: The Collaboration" is an amazing collection of widely divergent songs and superior production. On one hand there is the club banger Hey featuring Lil Rick produced by L. Boogie, and on the other, there is the smoothed out remix of Sexin U" from the Pillow Talk album featuring Jaheim. Sarah Sanders provides a stunning cameo appearance with You Dont Know featuring Oklahoma based-emcee Big Rec of Mass Reality from her forthcoming debut album in stores later this year. "Gotta Get Over You" is the heartfelt tale of a broken relationship. L. Boogie takes it up a notch with the lead single "Top Notch" featuring up and coming vocalist Sincere and delivers the song with grit and substance. Other guest artists include II Deep featuring Big Freaky, the mid-Missouri idol, Aren B (pronounced R&B) and others. The album is a Special Limited Edition with limited quantities and will have never heard before, bonus hidden tracks. Get yours TODAY!!!
