

Mp3 Linsey Alexander, The L.a.b.b. - Someone's Cookin' In My Kitchen

[DOWNLOAD HERE](#)

Rhythm blues 9 MP3 Songs BLUES: Rhythm Blues, BLUES: Guitar Blues Details: Traveling the same road as many great artists before him, the self-styled Hoochie Man spent a number of years playing small bars and clubs on Chicago's south side before making a name for himself on the downtown Chicago Blues scene around 1997. Having recently played in Europe, Canada, and New York, he has been bitten by the travel bug, and plans to tour again in the future. Some day, he would like to return to Memphis where he taught himself how to play his beloved Gibson guitar. But for now, he is content to work on perfecting his craft, and keeping his fans hungry for more Hoochie Man blues.
