KIDS/FAMILY: Educational, KIDS/FAMILY: Sing-Along/Interactive People who are interested in Ella Jenkins Charlotte Diamond should consider this download. Details: Maureen Conlin is an early childhood music entertainer/educator from Phoenix, Arizona. Creative Notes is her fourth children's music CD encouraging young children to explore their imagination and creativity through music. Maureen provides educational workshops for early childhood personnel, community performances and music classes through her business Happy Notes, LLC. Children will enjoy tapping their rhythm sticks to the song "Stick Around" or tapping a steady beat on the drum to Fee Fi Fo Fum. The Creative Notes music CD encourages young children to turn off the television and tune into their creativity and imagination and to become explorers of books and music through the 16 different songs on this CD. Maureen invites parents, teachers, grandparents and children to sing and play along to the catchy tunes and rhythmic beats of her newest children's CD, Creative Notes.
