Related styles: COUNTRY: Contemporary Country, FOLK: Traditional Folk People who are interested in Billy Joel Johnny Cash Bob Seger should consider this download. Details: Nick Costner has been a songwriter since he was 13 years old. He won his high school talent contest 3 years in a row, the independant division of the Arkansas State University talent contest two years in a row and later on, while in boot camp at Fort Jackson South Carolina, he won the a talent contest there as well, all with original songs and an accustic guitar. Nick later married and raised a family, becoming a Special Agent for the Department of Defense. But he never stopped writing songs, mostly Gospel and Country genres. Recently, Nick's love of songwriting and playing golf spawned his most recent project, We're Gonna Play Golf, a hilarious, ten song rendition of the plight of the every day golfer, released by his publishing company, Nick Costner Productions. Presently on the counter tops of Golf Pro Shops in Northeast Arkansas, the album is a major hit for everyone who loves the game of golf and loves to laugh. Every golfer will love having a copy of We're Gonna Play Golf, in his or her collection.
