Details: ONE BAD OTTER is a original rock band from New Jersey. The band has been playing music together since 1996. They have played all over the Tri-state area playing their unique style of cover tunes and also their original songs. One Bad Otter consists of Jim Rilko on drums, Rob Duffy on bass guitar and backing vocals, Joe Gumienny on lead guitar and vocals, and Tim Zusin on rhythm guitar and lead vocals. After a while, the cover tunes started to go away and the original material started to emerge. So the band went into the studio in early 2004, and began to record their debut album, Otter Than You.
