

## Mp3 Sarah Micol - Untitled Book

[DOWNLOAD HERE](#)

Emotional and original songs, written and performed by Sarah Micol, all collected in her debut album. 11 MP3 Songs POP: Delicate, EASY LISTENING: Mood Music Details: Sarah Micol started playing drums when she was 4. At the age of 6 she started studying piano. She first sang in public when she was 18: she performed with several local jazz bands and she developed a certain personal style. In 1998 she won a national singing contest. In 2000 she worked as a touristic entertainer in Sardinia and she performed onstage as a dancer, actress and singer. In 2003 she got to know a famous italian producer, Guido Guglielminetti, she wrote "A long way" with. In 2003 she attended the Berklee Clinics during Umbria Jazz: she attended a vocal technique class with Donna McElroy and an improv class with Steve Prosser. She was chosen to perform onstage with her profs and Bobby McFerrin. In 2004 she started composing, playing and singing her own songs. In 2005 her debut album "Untitled Book" has been released. She composed all the songs, played all the instruments and produced it entirely by herself. It's dedicated to her son Dylan, then the atmosphere is very soft and intimist.
