The lead single from the album is entitled "Everybody on the Floor (Keep dancin')" Produced by: Jeffrey Roberson, also included are the hot tracks "You Never Find (Another love like mine)" and "Never Enough" Smooth Approach's 2nd release single "Push'em up" moved 5,500 units of cassettes and CD's in the greater Cleveland area alone. The group and it's concept was put together by Jeff Roberson, producer, singer-songwriter and former drummer for his older brothers Dennis and Danny Roberson of the vocal group "CASH". Smooth Approach was created in 1995 by Jeff with a vision and goal to present a vocal group that has audience appeal across the board for all music lovers. The original members of the group were: J.D. Dismuke, Lawrence Harris, Kerry Willis and Jeffrey Roberson. Lawrence, Kerry and J.D. no longer pursues a musical career and since have moved on to everyday lives but the former members say they truly miss the days of recording this CD album "You Got It" and they know that those who have the chance to listen the CD will cherish and love the music that they put their heart and soul into. Jeffrey Roberson the founder of the group since has formed a new millennium group on Smooth Approach, now named SA "Smooth Approach" who has currently produced a new CD of their own. Jeff says the music just gets better with time just like a fine wine and the new guys bring a young and exciting energy to the music that he produces today. Their music features a tight harmony, melodic vocals with banging music tracks that has the flavor to blend with the R&B and Hip Hop music of today's sounds. The group appeared in the national magazine "Right On!" in October of 1998 with stars such as

Brandy, Usher Monica, Mase and more! The guys message and concept to all music lovers simply put is truly a smooth approach and one you hear their music you'll never get enough!!
