Crazed and catchy rock/pop songs athletically produced to put movies in your brain. 13 MP3 Songs POP: 90's Pop, ROCK: 90's Rock Details: THIS IS A LIMITED EDITION ARTWORK VERSION OF FRAMISTAN ! Only a few advance copies are left the same life-changing music, only with different artwork from the official release coming out in two weeks! So could this be a collectors release? HMMMMmmmmm. When you don't see this paragraph anymore, the advance copies will be gone. FRAMISTAN ! is the glorious result of one mans short attention span and a room full of toys. Toy monkeys, toy pianos, slinkys, accordions, hurdy gurdies, bowed guitars, Portuguese guitarras, cheap 80s keyboards and the finest instruments money can buy at Big Lots. Although FRAMISTAN ! was completed in time for my Warped Tour performances in July of 2006, it took another six months to get it ready for your big, yummy brane. Think Flaming Lips, Mercury Rev, Beck. Like that. Lots of fun and songs that will hopefully inspire you to chase your own happiness. Come on, happiness is FUN! The songs are real swell. Here Comes Your Happy was KUCIs song of the summer in 2006, and a version of Hold with just me and my guitar at Kulaks Woodshed has been voted YouTube.coms #11 All-Time Highest Rated video. YIKES! You can get the lyrics for FRAMISTAN ! at my website, stuartpearson.net If you buy FRAMISTAN ! many wonderful things will happen for you true love, wealth and sunshine will follow you all the days of your life (if you like rain, you can have some of that too just order that ahead of time). Hokay! Listen to FRAMISTAN !
