Debut full length rock extravaganza from San Francisco rock band The Boneless Children Foundation. Catchy, engaging, delightful, snogtastic, loving, full-of-superpowers power trio brings you the rock and the roll. And then the rock again. 11 MP3 Songs POP: Pop/Rock, ROCK: College Rock Details: Based in the San Francisco Bay Area, The Boneless Children Foundation's music ranges from simple, poetic creations, to hard-hitting punk rock sideshows. Born raised in St. Louis, Missouri, San Francisco transplant David Sophia Siegel leads his band of musical malcontents through the twists and turns of the perilous environment of rock music today, playing a music described by the SF Weekly as "notoriously Dead Milkmen-esque." This group has developed a unique sound that draws comparison to The Talking Heads, The Police, Richard Hell and the Voidoids, and the Who. ...And inspired by some webcomics he'd been reading, David decided the Boneless Children Foundation rock band official web site needed more webcomics. And thus, The Boneless Children Foundation the webcomic was born on October 28, 2005. (Happy Birthday, BCF-the-webcomic! bonelesschildrenfor more info!) The Boneless Children Foundation. For sure.
