Electro-rock characterized by grippingly constructed songs supported by compelling vocal melodies, strong guitars, emotionally sequenced synthesizers and keyboards. 12 MP3 Songs ELECTRONIC: Breakbeat/Breaks, ROCK: Modern Rock Details: Radiohead, LCD Soundsystem, Pedro the Lion, Headphones, Bright Eyes, Fischerspooner, the Faint. These are just a few of the main influences of Tommy Tomorrow who maintains a unique style all its own among them all. Characterized by grippingly constructed songs supported by compelling vocal melodies, strong guitars, emotionally sequenced synthesizers and keyboards, all mixed with outstanding live performances and a dazzling image... all this is what makes Tommy Tomorrow fresh and exciting in the music scene. When David Goodrich and Noah Desmit joined forces in the spring of 2005 they came with an unquenchable thirst for creating music that was uniquely and artistically expressive as well as culturally relevant. Tommy Tomorrow was the born outcome. Boasting a unique Electrona-Rock style they hope to leave listening audiences desperately wanting more.
