NEW INTERNATIONAL SOUND WITH NEW STYLE OF BEATS. 17 MP3 Songs HIP-HOP/RAP:
Southern Style, URBAN/R&B: R&B Rap mix Details: note to all the hustlers, playas, mac's the key 2 success is respecting the game puting shit in the game will only get u shit on your hands. a lot guys {i call them rappers} get there hands on a lil money buy them a nice lil set up and cut them a record. some get in the booth and talk about certain activities exaggerate the truth. when in reality thats not even there tru personality. me i play it by the book in brownsville, tn my chances was slim 2 none just 2 make it this far. i know things wasn't just gone fall out the sky into my lap i'm so determined and and focus paid off records is goning 2 be the souths #1 rap label. only the real can feel this message!
