Simple Php Redirect

This software lets you kick those ugly affiliate links to the curb. No more complicated scripts to install, setup and administer. Best of all, no more relying on other sites to create short URLs for you. Simply run the program, enter in the URL you want to direct visitors to and let the Simple PHP Redirect software do the rest. No part of this license may be edited in any form without expressed permission. Please pass this along to your customers. You now have Master Resale Rights to Simple PHP Redirect. Please read these terms carefully: [YES] Can sell basic resale rights. [YES] Can sell master resale rights. [YES] Must be sold for a minimum of $7 USD. [YES] Can put your name on the sales page.
