This is the same manual that your local service dealer would use if they were to fix your machine, now you have that same manual at your fingertips. It contains all the removal and assembly instructions needed for any repair your bike/boat may require. Also included are illustrations, and all the technical information you will need. Easily browse the manual via bookmarks on almost all manuals, zoom in/out of specific pages, and then print out what pages you need to take care of the repairs required. Make back up copies you can keep forever and no more worrying about destroying your manual with dirt and grease.
