

# Al Capp: A Life To The Contrary - , Michael Schumacher

[DOWNLOAD HERE](#)

More than thirty years have passed since Al Capp's death, and he may no longer be a household name. But at the height of his career, his groundbreaking comic strip, Li'l Abner, reached ninety million readers. The strip ran for forty-three years, spawned two movies and a Broadway musical, and originated such expressions as hogwash and double-whammy. Capp himself was a familiar personality on TV and radio; as a satirist, he was frequently compared to Mark Twain. Though Li'l Abner brought millions joy, the man behind the strip was a complicated and often unpleasant person. A childhood accident cost him a leg-leading him to art as a means of distinguishing himself. His apprenticeship with Ham Fisher, creator of Joe Palooka, started a twenty-year feud that ended in Fisher's suicide. Capp enjoyed outsized publicity for a cartoonist, but his status abetted sexual misconduct and protected him from the severest repercussions. Late in life, his politics became extremely conservative; he counted Richard Nixon as a friend, and his gift for satire was redirected at targets like John Lennon, Joan Baez, and anti-war protesters on campuses across the country. With unprecedented access to Capp's archives and a wealth of new material, Michael Schumacher and Denis Kitchen have written a probing biography. Capp's story is one of incredible highs and lows, of popularity and villainy, of success and failure-told here with authority and heart.
