His manner usually screamed cold professional. All business. But his cool-headed judgment took a flying leap over his new assignment, because all FBI special agent Caleb Davis wanted was to fold Megan Vance into his arms and kiss away the worry brimming in her stunning green eyes. When her son went missing, he yearned to protect the single mother from danger and bring her child home. Once he did this, maybe he could figure out how to become a permanent part of her life....As the clock ticked double-time, he fought like hell to save a little boy's life and reunite a family.
