Composing my own tunes and putting into recording are a reality come true. The first tune "Shuffle for Vi" is a favorite of mine, composed back in 87 she liked it so much I named it in her honour. And there are a lot more in the bag. I want to thank my many friends I've played with thru the years.I know a lot of great musician's and wish they could'a all played a lick or too on this album.
