"Blends contemporary jazz with classical stylings... Beautifully captures the pleasure of life's most intense moments." 12 MP3 Songs JAZZ: Smooth Jazz, NEW AGE: New Age Details: From the Liner Notes: Some find it through silence. I arrive there through intensity. I may be running hard, lost in a flurry of piano notes, or halfway down a ski slope when, suddenly, I am intensely aware and feel, somehow, more fully alive. In The Moment is inspired by times such as these and the events that lead up to them. Listener Comments: "I have listened to "In the Moment" -- my new favorite CD -- at least a dozen times and have recommended your work to that many people and probably more!" - Kristen "I love this CD perhaps more than the first two, though that is still difficult for me to admit because, as [my husband] will attest, I played those constantly with delight every single time." - Jan, NBC Executive, Los Angeles, CA Reviews: Wind and Wire A jubilant third CD from one of the most dynamic pianists around, In The Moment exudes optimism without any trace of sugarcoating... A very multi-faceted artist, I love seeing the many pianistic sides of Bradley's music, and hope he'll continue to follow his muse in any way he sees fit!
