This is ButtaBeans 2nd solo album well worth a listen .. 21 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: White-Boy Rap Details: ButtaBean was born in the city of Waco, Texas. Abandoned by his mother at 2 years old, Buttabean was raised by his father and step mother in the down and outs of the trailer park life. Constantly being reminded at how no one ever wanted him, Buttabean was beaten continuously by his father, most of the time for no reason at all. Finally kicked out of the trailer at 15 years old, Buttabean jumped around from projects to projects with any "friend" that would take him. Being the only white boy in the projects, taught Buttabean an even harder lesson in life. Eventually, Buttabean ended up living in his car, never knowing where his next meal was coming from. Hustling, theiving, and other crimes with which should never be spoken of, his music is an expression of that life style. Buttabeans music, has the lyrical genius of Eminem, with hard ass beats, but yet the melodic tone of Z-ro. Real life thoughts of whats in the mind of a Pimp.
