Danceable world funk with hot Afro-island twist. 7 MP3 Songs WORLD: World Beat, REGGAE: Roots Reggae Show all album songs: Bash! Songs Details: Percolations is a concept band directed and produced by jazz composer and pianist Charlie Bommarito. The band plays a very wide spectrum of jazz based world music. The recording of Bash! brilliantly captures the live party energy of a vibrant dance celebration. For this event the ensemble is enhanced by world-class drummers Thione and Gora Diop from Senegal, Mohammed Shaibu from Ghana and Brian Sorum on uplifting trumpet and flugelhorn. Eric Chappelle adds some spicy string lines to compliment Bommaritos colorful keyboards while the thunderous percussion section romps from Jamaica to Africa.
