A smooth blend of pop and rock with catchy vocal hooks to inspire, encourage, and challenge you to think. 11 MP3 Songs POP: Pop/Rock, ROCK: Adult Contemporary Details: Hey!! We found our start in 2004 when a friend of the group asked us to pick up some instruments and play a little at a church lock-in. I guess you could say that's how long we have even been playing instruments, if you are new to the music, be glad you didn't have to hear the early stuff!! lol. I have to say I enjoy just about every style of music, so much of our music has a pop-rock feel to it. We learned early on no matter what the music sounded like, we are pop rock and there is nothing we can do about it!! The songs come directly from my life as a Christian. From struggling to get it right (Wrong Again), to struggling to find people who understand your vision and your dream (It's Not You), all along realizing the decision we all have to make (Real World). We don't shy away from singing songs about love (Nothin' Left to Say), life, and healthy relationships (Reason I Care/Abstinence Song). At the end of the day, we are out to do our part in rebuilding the kingdom starting with friendships made with people we meet on the road. Finally, Thank you so much for listening, and if ya like it, stick around with us, hopefully every once in a while you will come across a CrossWorthy song that you can say "that's me!" to. People who are interested in Switchfoot Lifehouse John Mayer should consider this download.
