Home Taping Experimental Pop and Avante Garde 19 MP3 Songs ROCK: Psychedelic, ROCK: 60's
Rock Details: Between 1983 and 1990, Dennis Carleton released 9 solo cassettes and established himself as a well known home taper in the Alternative underground music scene. His music was played on over 300 College and Public Radio stations, including WFMU in New Jersey, and CKLN in Toronto, Ontario. CKLN in Toronto and WAIF in Cincinnati, Ohio both did two hour programs on Dennis's home tapes and sixties music. This is a collection of of the experimental music that was made during that time with a couple of live Lost Souls songs from 1960's thrown in for fun.
