Fresh, creative jazz arrangements of traditional holiday standards...definitely not "mall music" 8 MP3 Songs JAZZ: Bebop, JAZZ: Latin Jazz Details: "Elmer Gibsons Jazz Ornaments is definitely one more reason to enjoy the season. This vibrant, interesting music does what holiday music is supposed to do. It is festive, celebratory, makes a joyful sound.. During the holiday season we all hear a lot of seasonal music, some more compelling than others. But seasonal aspects aside, Jazz Ornaments is a very special case because this is music that is fun to listen to. After all, if you arent having fun, its not a holiday, is it? So celebrate already and play this music! Enjoy." Bob Rogers WSHA-FM Radio "...in answer to numerous requests by fans, I'm re-releasing Jazz Ornaments...the colorful, intriguing, creative, jazzy sculptures of renowned ceramicist Elaine Reed have added the perfect graphic impact that captures the musical feel of the album."
