The soulful voices, incredible musicianship, and masterful song-writing marry to become an unforgettable, uplifting interactive experience. The most striking feature of this album is the ease with which these musicians and singers cross genres from rock to pop to jazz to even throwing in an original hymn as if they were raised up in each genre. Forgiven! is the house praise band at Christ United Methodist Church of Sugar Land, Texas (cumcsl.org), a congregation of over 4,000 members and play a wonderful mix of Contemporary Christian rock/pop/jazz featuring vocals and instrumentals. Greg Hill and Derek Newton play some soaring electric guitar leads and riffs that will blow your hair back, also putting down some sultry acoustic guitar parts.
