

Mp3 Gabriel Lackner - Behind These Eyes

[DOWNLOAD HERE](#)

An innovative and eclectic album of great song-writing that draws from many musical influences and rhythms. 12 MP3 Songs ROCK: Folk Rock, URBAN/R&B: Soul Details: Gabriel Lackner's music fuses the beauty of human spirit with The Groove, the element of musical expression that ties all cultures together. His debut solo album, "Behind These Eyes", shows the influence of his life experiences, from his travels around the world, to his gigs with some of the masters of Reggae, R+B, Funk, Blues and Jazz. His music bows to many cultures, but is uniquely his own. The lyrics, while reflecting the variety of human emotions, resonate the generosity of consciousness. Gabriel wrote, produced, and played most of the instruments on this 12-song album, making "Behind These Eyes" a very personal, hands-on statement. "Musical genre is a flexible thing for Gabriel Lackner, as it should be: he's an artist who applies a natural, soulful touch to whatever strikes his fancy and suits the song at hand. Folk, old school R+B, reggae and rock flavors thread their way through Behind These Eyes, all fortified by Lackner's organic grasp of the right guitar part and a refreshingly understated vocal style. With this impressive and patiently crafted album, he has honed his music into the stuff of a well-rounded musical voice, and one to watch out for." -Joe Woodard, contributor to Down Beat, Los Angeles Times, Entertainment Weekly and other publications. "Gabriel Lackner's debut shines as something wholly fresh. With flawless technical production and an innovative, urban bossa-nova sound underscoring this 12-song release, Gabe puts forth Latin-style string picking, soulful R+B ponderings, social commentary delivered with a whisper, as well as the reggae riffs engrained in Lackner's years with the Cannons...A sweet sound all of his own." -Matt Kettman, Santa Barbara Independent 12-16-04 "Gabe Lackner finds his voice. His influences are as eclectic as his album...D'Angelo, Muddy Waters, Coldplay, Jack Johnson and Ben Harper." -Jesse Bellinger, Santa Barbara Magazine 9-23-04
